

Southern Twilight Wraps Up

The Southern Spring Twilight Series has now finished. School results are calculated by adding the scores of the best three students from each school. Congratulations to Tarooma High for once again winning the Boys and Girls Secondary trophies. The big news is that, after 7 wins in succession, South Hobart Primary School has been knocked off its perch by Tarooma Primary School.

Here's some stats:

Median attendance per event: 162

275 people participated in at least one event:

Special thanks to the army of 70 volunteers who planned courses, collected maps, towed the trailer and toilet, helped at the desk and in the trailer, set up and packed up each event, collected controls, processed and published the results. We couldn't have run the series without you.
