

Schools Team Parent/Guardian Agreement

As a parent/guardian of a Tasmanian Schools Team member, I agree and understand that:

- My child is under the care and responsibility of team officials for the duration of the event.
- In the event of an accident, illness or other medical emergency, every effort will be made to contact me prior to any treatment of my child. However, I authorize team officials to act *in loco parentis* and consent to my child receiving any medical treatment deemed necessary.
- Should the behaviour of my child be deemed unacceptable by team officials, I will abide by any disciplinary action undertaken by them.
- In the event that my child's behavior results in him/her being removed from the team, I will make alternative travel and accommodation arrangements for him/her in consultation with team officials.
- If my child needs to leave the team for any reason, I will inform team officials as soon as possible and arrange for my child to be collected by another responsible adult.
